Project SEARCH Partners

Project SEARCH is a unique business-led transition program designed for people with disabilities 18–21 years old. It is targeted for individuals whose main goal is employment and who would benefit from career exploration and training. The cornerstone of the one school-year program is immersion into a large business. The Interns learn employability and job skills while participating in a variety of worksite rotations which lead to competitive employment. Individualized job development and placement occurs based on the Intern's experiences, strengths and skills. Participants are given support with accommodations, adaptations and on-the-job coaching.

Unified School District #305 does not discriminate on the basis of race, color, national origin, sex, age, or disability in admission or access to, or treatment or employment in, its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. Any person having inquiries concerning Unified School District #305 compliance with the regulations implementing Title VI, ADA, Title IX, or Section 504 is directed to contact the Unified School District #305 Executive Director of Human Resources, P.O. Box 797, Salina, Kansas 67402, 785-309-4726.
