

# Stang Time

## After School Math/Reading

We are excited to offer tutoring, re-teaching and extension opportunities at Lakewood. These are for students who would benefit from extra time and support in the areas of math, reading, and homework. Students will have the opportunity to work in a small group setting with teachers and on computers. **Stang Time** is available Monday-Friday beginning at 6:45 am until 7:30 am as a *come-and-go service* as needed. **After School Math/Reading** is a *class* offered Monday-Thursday from 2:35 pm-3:20 pm. If you feel your child would benefit from either of these services, please complete and return the section below to your child's math teacher.

Please enroll \_\_\_\_\_ in the following:

\_\_\_\_\_ *Stang Time* Monday-Friday 6:45 am-7:30 am

**OR**

\_\_\_\_\_ *After School Math/Reading* Monday-Thursday 2:35 pm - 3:20 pm

\_\_\_\_\_  
(Parent Signature)

I understand that **attendance is required** for **After School Math/Reading** and **transportation will NOT be provided**.

*Helping more students learn more!*
