USD 305 Permission for Medication Form

When the administration of medication either prescribed or over-the-counter is required during school hours, the school can provide the service. Kansas law requires written permission from the parent and a signed order from the physician for prescription medication.

<u>Prescription medication</u>: The medication is to be brought to school in the <u>original</u> <u>container</u> appropriately labeled by the pharmacy, or physician, stating the name of the medication, the dosage, and the time to be administered. Ask the pharmacist about an extra bottle for school. The first dose of <u>ANY</u> medication must be given by parent/guardian.

<u>Over-the-counter medication</u>: We require only a parent signature for dosing as recommended. For dosing beyond manufacturer's recommendation a physician signature is required. Please send over-the-counter medication in a small purchased bottle.
