Football Game between Salina South Cougars and Derby Panthers Canceled

Due to multiple positive cases of COVID-19 at Derby High School, tonight's football game between Salina South and Derby has been canceled.

The Sedgwick County Health Department recommended that Derby suspend all football activities at this time. As a result, Salina Public Schools and Derby Public Schools have made the joint decision to cancel tonight's football game.

Thank you for your continued understanding and patience in regards to COVID-19.
